Claim is made under the applicable laws that cover these years of service.

My objection is for the following reason:

The Puerto Rico Telephone Company belonged to the Commonwealth until 1999, when it was sold by the governor from the party in power who was in office at the time. As such, I do NOT agree to my claim being dismissed; the basis of my claim is money owed for wage increases from laws that were enacted during the time that the PRTC belonged to the Government of Puerto Rico (Commonwealth). This is the basis for my claim.

Thank you for your attention to this matter.
